Sponsored by the Nutrition Foundation, Inc., in
cooperation with the Council on Foods and
Nutrition of the American Medical Association

Given in honor of Dr. Virgil P. Sydenstricker, recipient of the 1958
Joseph Goldberger Award in Clinical Nutrition

Purpose: To stimulate staff members and students of Schools of Medicine to
take a more active interest in the science of nutrition.

Amount: \$200.00 per month for three months.

Conditions: (1) **Grant shall be made to a medical student upon recom-
mendation of a senior investigator.**
(2) Recipient will be selected by the Council.
(3) Grant shall be used solely for remuneration of selected
medical student.
(4) Grant shall be limited to a period not to exceed three months
during the non-academic portion of school year.
(5) No senior investigator may have more than one student per
year receiving a grant.
(6) Only a brief progress report or summary will be required.
Publication will be at the discretion of the senior investigator.

Application: (1) Application to be made in writing by the senior investigator
to:

Council on Foods and Nutrition
American Medical Association
535 North Dearborn Street
Chicago 10, Illinois

on or before December 15, 1958.

(2) Application shall include:
a. Brief outline of study proposed.
b. Assurance that adequate physical facilities are available.
c. Assurance (but not necessarily identification) of the
availability of a qualified medical student.
